TASTING NOTES

It presents a high depth of intense red colour and cardinal tones on the edge, dark and deep.

It has a fresh but serious nose, becoming increasingly more complex and expressive, with hints of black and red forest fruits, minerals with coffee that do not mask the fruit.

On the palate it is meaty, with mature fruity tannins. Elegant smoothness making it exciting, rounded and appetizing. Blackberry and cherry liqueur together with balsamics and minerals express the terroir.
